

THE NEW LINCOLN-WAY library is commodious and so arranged that it will accommodate 125 students in individual study positions. Carpeting not only makes it more quiet but is more economical than maintaining a floor would be, it was explained.

LARGER THAN THE GYM is the new science laboratory at Lincoln-Way. It will be several weeks before the lab is finished but it will be ready well before the appointed time, builders said. It will accommodate 80 students at individual lab positions and reflects the school's educational philosophy that students learn by "doing" and thru "inquiry." (Wayne W. Sutton photos)

OUTSTANDING FACILITIES are available in the new girls gymnasium at Lincoln-Way. A special feature is the floor that permits the place to be used as a roller skating rink.

Make Plans For Annual Fourth Of July Picnic

A parade will mark the opening of the annual Mokena Fourth of July picnic to be sponsored by the Chamber of Commerce and the Lions club.

The parade is to terminate at Mokena Community park where booths will be set up and games and entertainment provided thru the afternoon and evening. Climax of the program will be a fireworks display.

The various organizations in the village have been invited to participate and a meeting of their representa-

tives to discuss plans was held last night in the Chamber of Commerce office.

The Rev. Robert Watson, of the Lions club, pastor of the Mokena Methodist church, is the general chairman of the picnic and George Helgersen, builder, representing the Chamber of Commerce, is co-chairman. Lions club members on the committee are Art Omland, Bernard Lankenau and Norval Robinson; Chamber of Commerce members will be William Michener, Kenneth Millar and Walter Welsch,

Massed Grade Band, Chorus In Concert Sunday

The music departments of the grade schools of the Lincoln-Way area will present their first band and chorus festival in the high school gymnasium this Sunday afternoon, May 24, at 2 o'clock.

There will be 130 pieces in the massed band while the chorus will have 150 voices.

Participating in this festival will be pupils from Arbury Hills, Frankfort, Manhattan, Mokena and New Lenox.

The concert is free and the public is invited.

Dedicate Lincoln-Way HS Addition Sunday

Dedication of the new addition to Lincoln-Way high school is to take place Sunday afternoon, May 24, at 3 o'clock in ceremonies to be held in the school auditorium. The public is invited.

Dr. Robert Andree, superintendent of Rich township high school, is to be the speaker. Representing the Will county schools will be County Supt. Verne E. Crackel.

The new addition features some of the most unique educational facilities in the area. The new science laboratory, designed for team teaching, evoked the following slogan:

"Lincoln-Way, where the science lab is larger than the gymnasium."

Also in the new structure are large lecture rooms and small seminar rooms designed with the team teaching concept in mind.

A new girls' gymnasium with a special floor that permits it to be used as a roller skating rink is a part of the new addition.

A new and larger library has been constructed that will seat 125 students in individual study positions. It features acoustical floor covering.

A new bus maintenance garage, food preparation area and boiler room addition round out the third addition.

Burnside Construction Co., of Chicago Heights, had

the general contract; Poehner-Dillman Co., of Joliet installed the plumbing and heating, and Thomas Reed & Son, of Joliet, had the electrical contract. The contractors finished the job ahead of schedule. Childs and Smith, Chicago, were the architects.

A bond issue of \$750,000 was approved by the voters to finance the addition to the school which was made necessary thru a steadily growing population. The construction cost came to \$694,140, including architect and legal fees. The figure for equipment, furniture, lockers and some re-

modeling came to \$50,860 and the cost of grading and landscaping came to \$5,000, for a total of \$750,000.

The new addition contains 48,255 square feet of floor-space which brings the cost per square foot to \$14.38, which is said to be a quite favorable price.

The school board invested the bond money thru the period in which it was not needed and the returns from that amount to \$22,611.11 which can be described as surplus.

It is unusual, it was pointed out, to complete a building project and have money left over.

Annex Property To House Park & Shop

The property owned by Ordman Park and Shop on the east side of Wolf road and the Grey Real Estate property adjacent have been annexed to the village of Mokena. The action took place at a special meeting of the village board May 13.

At the next meeting of the board the Standard Oil property at Wolf and LaPorte is scheduled to come up for annexation. A petition to that effect is now in the hands of Village Attorney Ronald Galowich.

Prior to the annexation of the property where Ordman is to build a shopping area it was agreed that he would pay \$1,500 toward the installation of a sewer main. It was estimated by Village Engineer Ralph Yunker that the cost of the job would be approximately \$4,000. The village is to pay the amount above \$1,500. It is estimated that the village share of the sales tax from the Ordman store will run \$5,000 a year so the village is in a position of spending money to make money. Any tap on fees will go to the village. Grey Real Estate will pay a tap on fee of \$100 to connect with the sewer. It already has a well and Ordman will take his water supply from that source. Later the village plans to extend water mains and at that time all properties will be required to connect with such mains.

If the property in the vicinity of Revere road and Wolf road is to be zoned for multiple dwellings, as recommended at a recent meeting of the village board, it will have to be classified after a formal hearing before the zoning board of appeals.

An effort by Lloyd Tomany to have the classification of the property running from Wolf road to Anna Street on which Clyde Yunker has started a building, changed from B4 failed to gain any headway. The board voted to

keep the zoning unchanged. Tomany claimed that he and other property owners on Anna street did not know the property was to be zoned to B4. Village Attorney Galowich pointed out that the action was taken at a zoning board hearing and that a public notice of same had been published.

Mayor Swanberg named the following men as members of the zoning board of appeal and the appointments were approved by the board:

Robert Geuther, chairman, two years; Walter Shewski, five year term; Arthur Hostert, four years; Wendell Hamilton, three years and Hans Mueller, one year.

Under law the recommendations of the zoning board are subject to village board approval but when the question of variations is concerned the board's word is final, except for review by a court, of course.

Pastor Installs New Officers Of The WSCS

MRS. KATHARINE HEISNER
Telephone: 469-5187

The installation of new officers for this coming year was held last Wednesday when the WSCS of the Green Garden Methodist church held their monthly meeting.

Installed by Rev. James Swain were: Mrs. Alfred Krapf, president; Mrs. Edwin Dralle, vice-president; Mrs. Roger Ullrich, recording secretary; Mrs. Stuart Vanderbilt, treasurer; Mrs. Clyde Weber, secretary of childrens work; Mrs. Lewis Rab, christian social relations secretary; Mrs. Richard Borms, literature; Mrs. Chester Steinberg, missionary education and service.

Also, Mrs. Elmer Morrison, promotional secretary; Mrs. Wm. C. Bettenhausen, secretary of student work; Mrs. Norman Gill, secretary of spiritual life; Mrs. David Dralle, secretary of supply work; Mrs. Clarence Johnson, secretary of youth work.

Nominating committee for next year will be Mrs. Harold Ullrich, Mrs. Chester Steinberg and Mrs. Norman Gill.

Monday evening the WSCS held a ward party at Manteno State hospital.

The annual school picnic of Green Garden grade school will be held at the school, Sunday, May 31, beginning with a potluck dinner at 12:30 p.m.

Each family is requested to bring a meat dish and another dish.

The committee will be the officers, the Burton Barrs; Leonard Stuenkels; David Dralles and the Jack Christiansens.

Ninety-eight eighth grade

pupils of Peotone Junior Hi boarded a train at Peotone last Wednesday morning and went to Springfield where they were met by buses for the tour of Lincoln memorials.

The Always Faithful class party of the Green Garden Methodist church was held Wednesday evening at the home of Mrs. Elmer Morrison.

On the lunch and entertainment committee were Mrs. Morrison, chairman and Mrs. Marie Bettenhausen, Miss Emma Andres, Mrs. Fred Diment and Mrs. Emil Andres, co-chairmen.

Devotional chairman was Mrs. Edwin Dralle and the special was given by Mrs. Richard Borms.

Rev. James Swain and Mrs. William C. Bettenhausen accompanied the six confirmands of the Green Garden Methodist church on a trip to Chicago last Saturday. They visited the Art Institute, Chicago Library at the U. of C. and the Oriental Institute and Rockefeller Chapel.

Last Friday, 96 school children, accompanied by the faculty and room mothers, went on their annual field trip to Joliet. They visited the Brandon locks and Weber dairy. Then the 1st, 2nd and 3rd grades visited the fire station and the 4th, 5th and 6th grades visited the Joliet Herald News.

Rug-Debugging Time

ON 2nd THOT

By Glenn Logan

IF YOU LIKE knotty—or nutty—questions there are some dandies that have been batted around and about in one of the area communities of late that could be usefully debated these long early summer evenings. We say “usefully” because by discussing these matters one can evade cutting grass, spading or hoeing gardens.

There are many good questions, ready packaged for debate, including the old time standards of “which came first, the chicken or the egg”; the choice in “The Lady or the Tiger”; is it earlier or later when one moves the clock ahead for daylight time, and when a man gets shaved by a barber is the shaving incidental to face washing or face washing incidental to the shaving.

There are many more and anyone really interested can hit a bonanza if he spends, say 30 minutes, with a child of kindergarten age.

THE QUESTIONS that launched this piece are not really complex. They deal chiefly with the definition of terms set forth in a building code and should be classified as legal questions. At least that is one point of view. And there is much to say for it. Any question that can be answered in several ways—on both sides, both ends and in the middle is a good legal question, and if there is any punctuation in it, other than the question mark itself, then it can keep a flock of lawyers busy for weeks before they even get down to the actual words.

The question in question can be divided into many parts. First let's take the main issue propounded to the city fathers. Is a building permit necessary to install storm windows?

The building code says a building permit is necessary for construction, repair, alteration, remodeling or demolition. What is a storm window? Theoretically—and if they fit properly—they are supposed to keep out wintry blasts and provide an air space for insulation for the regular window. But could one say that installing them is construction? Would one call the procedure a repair? Is it an alteration of the structure itself? Would storm windows

Orland Firm Adds Footage To Floor Space

A remodeling program to add considerable footage to the Cooper-Smith Furniture Co. of Orland Park is now in progress.

Noel E. Smith, co-owner and interior designer for the firm, said the addition would provide for an additional 2,000 square feet of floor space.

He went on to explain that the new display area would show many new decorating innovations as well as the latest style trends and designs.

“We here at Cooper-Smith feel that sincere assistance and decorating guidance is needed whether our customer is interested in the purchase of a chair or a complete home furnishing job,” Mr. Smith said. “We now have the facilities to handle either capably.”

come under remodeling? Demolition seems to be out of it unless one could apply the term somehow to reduction of a fuel bill.

WE HAVE LOOKED upon storm windows as an example of salesmanship, rather than a construction item but we can be wrong. Some think of them as a necessary evil, and sometimes they are alluded to as backbreakers or shoulder wrenchers, especially if they are the kind with wooden frames and one lives in a two or three story house.

For those who like to live dangerously we would recommend hanging storm sash on upper story windows while standing on a ladder on a windy day.

Personally, we don't believe that a householder should be required to pay for a permit to add storm windows to his cost of living budget. But we do believe that municipalities could license the hanging of the blamed things.

A fee of \$100 to put the windows up in the fall and a fee of \$100 to take them down in the spring would serve an excellent purpose.

For one thing, it would enable the price-conscious people to point with pride. It probably wouldn't add much to the municipal treasury but such a proposal should get the vote

The Tax Situation In Will County

Some of the taxing bodies in Will county will be scraping the bottom of the barrel before they receive any tax money this year. This will be inconvenient and those who have to borrow funds to meet their operating expenses will have to pay interest but there is no need to become hysterical about it.

Because of the large number of complaints relative to the valuations imposed last year, the board of review was unable to finish its work in time. The books, however, were to be finished this week and certified to the state department of revenue by the county clerk's office.

The department of revenue is then supposed to compare the valuations with those of the past and ascertain if they fit in to the 1963 real estate market picture. One hears that the state revenue department wants a uniform valuation figure for the state and that in Will county the assessed valuation should be 55% of the fair market value established thru actual sales of comparable property.

If such a valuation is preserved county officials were given to understand that the revenue department would assign a multiplier of one to Will county so that the assessed valuation would become the equalized assessed valuation. A multiplier is assigned, it is said, to bring the valuation up to the 55% mark.

Whether it actually works out this way is difficult to say. The state department of revenue apparently has taken the United States supreme court for an example and arrives at its decisions with the utmost secrecy.

Last fall the department of revenue is alleged to have let it be understood that the figures submitted by the township assessors in Will county, with two exceptions, were under the required 55% valuation and that the county could not expect multiplier of one. The county treasurer, as ex-officio supervisor of assessments, thereupon applied multipliers to the various townships.

Many of the assessors disputed the charge that their assessments were below the 55% mark and claimed that the multiplier added by the treasurer's office boosted the assessments much higher than 55%.

That was the beginning of a flood of complaints before the board of review that totaled almost six thousand. To hear these complaints and investigate would naturally cause the reviewing body to be late with its work and that has made everything else late.

Getting tax bills out is rather a complicated affair. After the assessors turn in their books and the board of review goes over them and makes what changes it believes necessary, the

county clerk certifies them to the state department of revenue, the department of revenue assigns a multiplier. The final valuations are then available and the county clerk's office establishes the rates for the various taxing bodies. When this work is finished the IBM section then runs off the tax bills and the books for the treasurer's office, and the bills are sent out.

From the best information available at the court house, if the state department of revenue fixes the county multiplier at one, the collection of taxes will begin about the first of August.

A couple of weeks ago the board of supervisors moved the tax payment deadline up from June 1 to Sept. 1, which is the regular date for payment of the second installment on real estate taxes. The board said nothing about a later date for the second installment so presumably property owners will make full payment on real and personal property taxes by Sept. 1. There is no reason why there should be any further delay and certainly payment would not work any hardship on the taxpayers. Normally they would have to pay the first installment on real estate and the full personal property tax bill by June 1. Now they can set the money aside and add it to the second installment due Sept. 1.

Should the revenue department assign a multiplier in excess of one there is a possibility that the county board would take the case to court and in such event it is quite possible there would be no tax collection this year and that of course would bring about a serious situation.

The city council of Joliet is urging a meeting attended by representatives of interested taxing bodies, the county board and state department of revenue. The idea of the promoters of such a meeting is to hurry up process of collecting taxes. Such process cannot be speeded up faster than it is progressing, according to the best information.

Right now the best thing that the taxing bodies can do, whether thru meetings or other means, is to prevail upon the state department of revenue to assign a multiplier of one.

The board of review has stated that in going over the assessments it has made the total lower than that resulting after the treasurer's office multipliers were used, but that it is higher than the original figures of the town assessors and that the whole is 55% of the actual value of the real estate in the county.

If that is true, and we see no reason to doubt it, the department of revenue should assign a multiplier of one, so the mechanics getting out the tax bills can get started. The revenue staff, it has been stated, should be able to reach a decision by the close of the first week in June.

of every husband in the town.

A fee of \$100 to put storm windows up and another hundred to take them down would provide a husband with just the excuse he needs to escape the task without an exchange of several hundred thousand words with his spouse.

WOMEN ARE CHARMING, beautiful, indispensable—but they are also very practical, especially when it comes to money. There are few housewives who would approve the expenditure of \$200 a year for putting up and taking down storm windows.

If one has to have a building permit to put up storm windows, as outlined in the original question, one may just as well start out with one for demolition, tear down the present home and build a new one. This will afford one the opportunity of getting in those little touches you have resolved to do in case you build a house, and also have the storm windows built right into the job, with push button control.

You may say that is a lot of money to pay for storm windows but on the other hand look at how much labor it will save.

Now if some courageous city or village council would just levy a stiff tax on cutting grass.

The annual Lincoln-Way high school alumni dinner dance will be held Saturday, June 27 at Bruns restaurant in New Lenox. A smorgasbord will be served at 7:30 p.m. Dancing from 9:30 p.m. to 12:30 a.m. The Andy Hulina Trio will provide the music.

of the scholarship committee, that two \$100 scholarships will be awarded this year to deserving seniors of the local high schools. The scholarships, named in honor of two deceased members, will be presented to Miss Charlene Creszenzo of Mokena who is attending Sacred Heart high school and Tim Hull of Mokena, a senior at Lincoln-Way. The Kathryn Lotz scholarship will be given to Miss Creszenzo while Tim Hull will be the recipient of the Elizabeth Cappel scholarship. The latter scholarship is presented only to a student who has graduated from the Mokena public grade school.

A committee was appointed to serve in securing a booth in the community Fourth of July celebration. Those in charge are Mrs. Paul Smith, Mrs. Louise McGann and Mrs. Harold Beebe.

The past officers luncheon will be held at Jardine's restaurant at Tinley Park, Monday, June 8 at 1 p.m. at \$1.90 per person. Guests are welcome and reservations are to be made on or before Thursday, June 4 with Mrs. Leslie Bignall.

Frederick Carlson, inspector for the Food and Drug Administration of the division of the Health and Welfare of the U.S. government, addressed the group and explained how the administration functions and various steps taken to enforce its laws.

This was the last regular meeting until September, as the club discontinues meetings during the summer months.

MR. AND MRS. PAUL SUNDBLAD

Wed In Church Rites

The Methodist Church of Tinley Park was the scene of the April 4 wedding of Marjorie Andres and Paul Sundblad. The double ring ceremony was performed by the Rev. Kenneth Crandall, pastor.

Marjorie is the daughter of Mr. and Mrs. Harold Andres, 159th st., and 84th ave., Tinley Park, and Paul is the son of Mr. and Mrs. Charles Sundblad, 6636 Glenview dr., Tinley Park. White gladiolus and can-

deabras graced the altar of the church. Miss Marion Andres sang "The Lord's Prayer" and "Because" and Miss Judith Lodewegen served as organist.

The bride wore a gown of white silk organza over taffeta styled with a fitted bodice featuring a scalloped neckline and long fitted sleeves. The floor length full skirt, re-embroidered with lace applique trim, ended in a chapel length train. The finger tip illusion veil was secured with a crown of seed pearls. Her only jewelry was a necklace, a gift of the groom. She carried a cascade of white gladiolus with yellow roses thru-out.

The matron of honor, Marjorie Bohlman, and bridesmaids, Donna Andres, sister of the bride; Sharon Bussian and Shirley Meyer, wore identical dresses of yellow nylon organza over taffeta. The floor length semi-sheath dresses were trimmed in flocked organza and were styled with a high neck, low V back, cummerbund and a panel train. The attendants wore pearl crowns and short white gloves and carried baskets of talisman carnations.

Lloyd Sundblad, brother of the groom, served as best man. Attendants were Jim Larson, Wayne Bussian, and John Mensing.

Mrs. Andres, mother of the bride, chose an aqua blue embroidered silk sheath dress with beige accessories. Her corsage was yellow cymbidium orchids.

For the ceremony, Mrs. Charles Sundblad was attired in a blue iridescent silk sheath dress with blue accessories. Pink cymbidium orchids formed her corsage.

A reception was held at a local restaurant immediately following the wedding ceremony. Miss Karen Boromet was in charge of the guest book.

After a two week motor trip to New York, the young couple are now at home in Midlothian. The bride is employed as a private secretary for the Northwestern Mutual Life Insurance company and the groom works for the Chicago Transit Authority.

Frankfort Woman Chosen As Homemaker Of Year

At the 26th annual meeting of the Will County Homemakers Extension Association, held Monday in the United Church of Christ, at Manhattan, the highlight of the day was in the choosing of a Homemaker of the Year.

During the past year each member of the 24 units in the county was given a chart to maintain on a point system basis. One member of each unit was chosen as a delegate and a panel of judges were named to choose the winner.

Mrs. Andrew Suffern, president of the Association,

bestowed the honor of placing a tiara on the head of Mrs. Emil Groth, of Frankfort, member of the Frankfort-Mokena unit, who was chosen as the Homemaker of the year. She also wore a badge bearing her honor and carried a bouquet of American Beauty roses. Mrs. Marianne Carnahan, Home Advisor, presented Mrs. Groth with a trophy. Mrs. Groth also received a 13 pound turkey as a gift.

Her husband, Emil and daughter Mrs. Wilbert Laufner, were present to view the ceremony.

L-W Future Nurses Give Tea For Their Mothers

In observation of National F. N. C. Week, the Future Nurses of America of Lincoln-Way high school had a tea for the members and their mothers after school last Wednesday.

A small program was presented to help the mothers understand the function of the club. It has been busy this year with several projects such as making Christmas favors for the children's ward of Silver Cross hospital; the sponsoring of a sock hop to make money for their annual scholarship, and

a field trip to Michael Reese hospital and the Museum of Science and Industry health fair to give the members to better understanding of the many openings in the medical field.

Just recently the F.N.A. has applied for its National Charter. This year, due to the help of the Mokena Women's club, the F.N.A. hopes to present two scholarships to two of its deserving senior members who are going into nurse's training next fall.

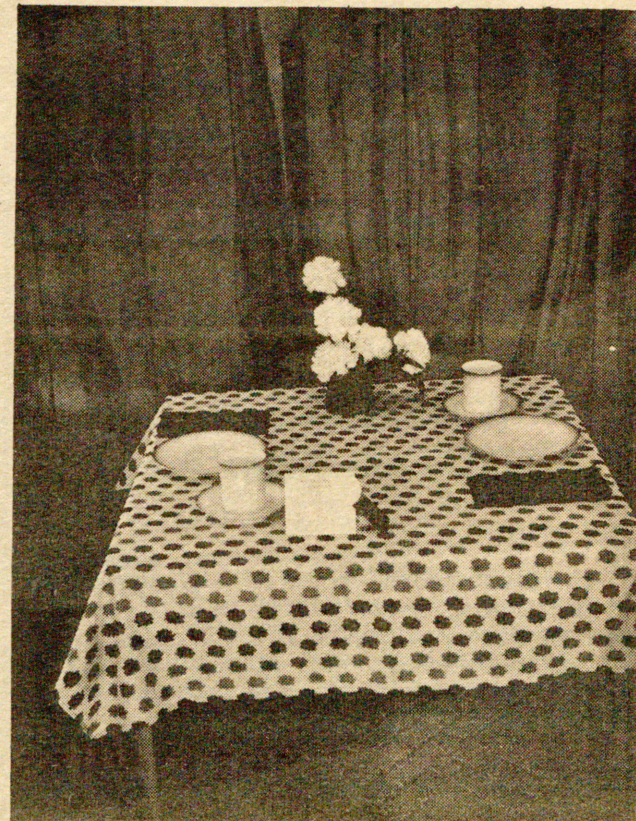

Marley Pastor To Speak At Country Club Meeting

The spring meeting of the Will County Club League will be held at the Ritchey Methodist Church, Route 102, S. of Wilmington, on May 26. The president, Mrs. Donald Webster of Elwood, will open the meeting at 10 o'clock a.m. Plans for the morning session include the annual election of officers, annual reports from club presidents, a Fashion For Fun skit and entertainment from a kitchen band. Luncheon will be served at noon by the ladies of the church. There will be

a flower show with Mrs. Ada Goldwater in charge. In the afternoon, the program will be presented by the Rev. Ian Brown, pastor of the Marley Baptist Community Church. He will speak on his native home, Capetown, South Africa. Members are urged to contribute to the Flower Show and to the Seed, Plant and Bulb sale. Reservations for the luncheon must be made with Mrs. Webster, phone, 432-5340 or with Mrs. Fred Martin, phone, 432-5414, before May 22'nd.

Hire Former Pupil As Mokena Teacher

Mokena school board employed two teachers at the regular May meeting.

Fred Kieslar, of Mokena, was hired to teach 5th grade at Carpenter Street school for the 1964-65 school year. He was a 1959 Lincoln-Way graduate and received his AB degree from Park College in Parkville, Mo. in 1963. For the past year he has taught school in Bremerton, Wash.

Mokena and Frankfort schools have hired Miss Sharon Connolly as music supervisor. She will divide her time between the two districts. Miss Connolly will receive her AB degree from Roosevelt university this

June. She majored in music education and is completing her student teaching at Bloom township high school, Chicago Heights. Miss Connolly's home is at Matteson.

The board accepted resignation of Mrs. Jeane Clark, music supervisor. Mrs. Clark who has been teaching music in the Mokena schools for seven years will be on the Tinley Park high school staff next year.

In further business the board approved the 1964-65 school calendar. School will open on Monday, Aug. 31 and close on Friday, June 4, 1965.

It was announced by Supt. James Ennis, that a gift had been received from someone in Mokena, to be used for trees and landscaping at Willowcrest school. The gift is in honor of the 1964 graduating class. The board expressed its appreciation and further mentioned that anyone that wishes to, may help complete the arboretum and landscape plan. Anyone interested may consult Supt. Ennis.

The Illinois Association of School Boards sent a questionnaire to the board asking for its opinion regarding date deadline for starting first grade. The board went on record as favoring a Sept. 15 deadline rather than Dec. 1.

Hire 3 New Teachers At Frankfort School

Frankfort grade school board has hired three new teachers for the coming school year, one of them on a divided time basis with Mokena. Miss Sharon Connolly, of Matteson, is to teach music in the Frankfort and Mokena schools. Miss Connolly, who will be graduated from Roosevelt university this June with a BA degree. She will teach choral music and music appreciation.

The other two teachers hired by the board Monday night were Mr. and Mrs. Sterling Nelson. Mrs. Nelson will teach kindergarten,

Mr. Nelson mathematics. Mrs. Nelson is a graduate of State College of Iowa and has taught in the primary grades at Lombard for the past two years. Mr. Nelson has taught junior high math at Lombard for the past year. He too is a graduate of State College of Iowa, at Cedar Falls.

The Nelsons, who are moving to Frankfort this summer, will serve as counselors for the Baptist church camp in this area.

The hiring of these three teachers brings the staff up to 17 under contract. There are still vacancies in the area of English and science and assistant coach on the junior high level.

Village Will Continue To Insure CD Personnel

At a meeting of the Frankfort village board Monday night the trustees decided to continue to join with Mokena and the town of Frankfort in carrying insurance to protect members of the civil defense organization in the event of injury while on duty.

Civil defense officials say that the government takes care of such insurance for accredited units, provided ----- The provision, the village board finds, appear to be subject to a variety of interpretations, and the accreditation can be a problem. The Frankfort unit must be accredited again by June 30, it was informed.

To be on the safe side the village board agreed to continue to buy insurance.

There were some bids re-

Excavate For New Building On Wolf Road

Excavation for the foundation of a building to house the plumbing and heating business of Clyde Yunker & Son at Mokena has been started. The building is to be located on the east side of Wolf rd., across from the Friant building.

The structure, 42 by 76 feet, is to be one story and of brick and block construction with steel beams to carry the roof.

"DOUGHNUT" CHAIRMAN
Mrs. Robert E. Burns, 112 Walnut st., will be the chairman for Frankfort for "Doughnut Day," The Salvation Army's annual tag day. The drive is a project of the Frankfort Woman's club.

As chairman, Mrs. Burns will organize and direct the residents of Frankfort who volunteer as "Doughnut Day" taggers to help raise funds for the Salvation Army

ceived on a police squad car for the village but it was decided to reject them without opening and to re-advertise. Bids are to be in by 8 p.m. the night of the next meeting, June 1. Specifications and other details concerning the proposed purchase may be obtained from Village Clerk Walter Pfaff at the village hall.

John L. Guldenzoph, New Lenox, was low bidder on stone for street maintenance and got the contract. He will supply 418 tons at \$2.60 a ton, for a total of \$1,086.80.

Wunder Construction of Plainfield was awarded the contract for oiling and sealing. The total figure was \$2,133.92. The other bid submitted was that of Crown Rock Asphalt for \$2,489.

Tells Communities How To Attract Industries

The Frankfort Chamber of Commerce was represented at a state-wide industrial development conference at Peoria last week with Willard Delph, Superior Match Co. official, and Herbert Lambrecht and Grant A. Geuther of the Labrecht Agency attending.

The luncheon speaker, Gene K. Beare, president of Sylvania Electric Products Inc. of New York, outlined the economic, political and social criteria necessary in "The Town in Which We Want to Build a Plant."

"We want to settle in places where the townspeople are aggressive in doing things for their community," Beare asserted. Citing an aggressive local spirit, Beare said the atmosphere is "much more healthy when the town is not forever holding back waiting for the company to provide for this or that. 'People appreciate and treasure more the things they do for themselves than they do the things they receive as a gift. We want to do our part, but only the part that any good citizen would take.'"

On politics, Beare had this to say: "We want a local government that is alert, progressive, understanding, clean and businesslike. We like to see balanced budgets and a comparative low debt per capita, yet with a reputation for good municipal facilities . . . we expect to pay our share of taxes on the same basis as any other citizen; nevertheless we cannot afford to pay for waste."

T.T. Martin, vice president - industrial development of Gulf, Mobile and Ohio Railroad, Mobile, Ala., called for an acceleration of community improvement as a basic "must" for attracting new industry.

"It is a safe assertion that most of our smaller communities who have industrial

organizations spend about 80 per cent of effort on trying to contact industry and on producing and sending out literature, and about 20 per

cent on actually getting ready for the industry which they hope to have look them over," Martin said. "A community would do better to

reverse this percentage.

"Industry is vitally interested in finding the best possible place in which to locate, and it is our job to see that our respective communities do everything

to make themselves the kind of places in which industry can find its need. If no industry immediately results, community improvement is, of course, a worthwhile end in itself."

HOMER NEWS

BY ELIZABETH ANDERSON

After considerable discussion among the constituents and pastors of Homer and Marley churches, it has been decided to omit the traditional combined Memorial service which has been the custom of many years. Lack of interest and

time were contributing factors in the decision. This custom was established many years ago by Capt. Amos Savage, a Civil War veteran, in honor of the many men who went to the Army from Homer twp. At that time the present Mar-

ley church organization was located in Homer twp. and the meetings were held at Homer church as it was most central. Later the program included a memorial to Homer soldiers of all wars, and the meetings alternated between the two churches.

The June meeting of the Wayside Workers Circle of King's Daughters will be held at the Hannah Harwood Girls' Club in Joliet on June 4. The Missionary Society will meet at Homer Church on May 28 with Mrs. John Hollister and Mrs. Stanley Cox as hostesses.

Confirmation classes ended this week and on Sunday two members of the class who have received a two-year course of instruction, became active members of the church. They are Susan Cagwin and Dennis Welter.

A pleasant morning was enjoyed at the church on Wednesday when about 75 women and children met for fun and fellowship at the annual breakfast sponsored by the Missionary Society. An original skit written by Mrs. Don Aspel, president, was enjoyed, as was the music furnished by the Women's Trio. Table decorations, also by Mrs. Aspel, added to the festive appearance, and door prizes went to Mrs. Edward Hallis, Kathie Anderson and Leslie White.

The Homer School Club will meet for the final meeting of this term on Thursday evening, May 21 at 33-C on Cedar Rd. There will be a guest speaker from the American Cancer Society. His topic will be "Teen Age Smoking." Seventh and Eighth graders are invited to attend.

The annual election of officers will be held. There will be a report from the Ways and Means committee. The Picnic Committee also will report. Its members include Mr. and Mrs. Ralph Reiter, Mr. and Mrs. Merlin Jungles and Mrs. Al Bonnuchi.

First grade mothers will be hostesses for the Thursday evening meeting.

Many pupils have been detained from school by measles and other ailments, among them the Otto Konow and the John Marks children. Mrs. Marks was

also a victim. Mrs. Don Aspel visited an eye specialist in Chicago Wednesday. John Hollister, a patient in the Will County Sanatorium, reports that he is improving and expects to be home in about a month.

Rev. Cox attended an Association of Churches meeting at the Second Congregational Church at Rockford on Wednesday.

June 7 will be Loyalty Sunday at Homer Church, when pledges for the coming year will be turned in. Letters with the proposed budget will be sent to the constituents by the Finance Committee before that time.

The Junior Hiers will enjoy a hayride Friday, May 22. The Pilgrim Fellowship will meet on May 24.

Sunday School begins at 9:30 and morning worship at 10:45 each Sunday morning at Homer Church. Rev. Stanley Cox is the pastor.

Twenty - two votes were cast in Homer twp. last Tuesday at the Appellate Court election in which John Hall of Sterling was the winner. A total of 1,365 votes were counted in the entire county at a cost estimated at \$4.80 per vote, according to Mrs. Clara Hartley, county clerk.

Roger Habenicht and three members of the Zytniowski family, all Homer residents, who were hurt in an auto collision on Bell Rd. last Saturday, have been released from the hospital and are recuperating at their homes.

Mrs. J. T. White is recuperating from a fall she suffered recently at St. Matthew Church, Lemont. She was attending one of the church's 90th anniversary events when the mishap occurred. Mrs. White was christened at St. Matthew's when it was quite a new church.

Mr. and Mrs. Robert C. Shaver of Gougar Rd. are the parents of a daughter, born May 13 at Silver Cross Hospital.

Betty Anderson accompanied Mr. and Mrs. H.M. Finley of Lockport to Rock Island and Davenport, Iowa, on Friday and Saturday of last week.

Workers at the Homer election polls last Tuesday were Mesdames Anna Mae Tuiider, Eloise Anderson, Monna Rowley and Ardith Champoux.

Arts Festival Opens At Sandburg Tonight

BY DEBBIE WHITTLE
Four full evenings of entertainment and exhibits are planned for Sandburg's annual Fine and Applied Arts festival which opens today (May 21). Included will be displays of student art, student crafts, style shows, plays, and concerts.

The program begins with the final PTA meeting of the year tonight. Officers for the coming year will be installed. After the short meeting, members will view the exhibits of the art, industrial art, and home economics departments. A continuous style show will be presented by home economics students.

Friday, the exhibits will

again be open to the public from 7 to 8 p.m. At 8:15 the advanced speech class and the dramatics class will combine talents to present two plays.

Three other plays, by the beginning speech classes, will be presented on Saturday at 7:30 p.m.

The festival will end Sunday with a concert by the entire music department, featuring the concert band, choir, and orchestra at 3 p.m.

The art exhibit will feature paintings, sculpture, ceramics, designs, drawings, and constructions done by the various art classes.

The industrial arts exhibit will display projects

from each level of courses. Architectural models and drawings, welded furniture, electric motors will be displayed.

The style show will feature sewing projects ranging from shifts to wool coats. Nearly one hundred girls will participate in the event. Table settings by home economics students will be included in the exhibit tonight.

In the field of dramatics, "Scary Hollow," a melodrama-mystery by Jay Tobias, will be presented Friday by the Advanced Speech Class. The Dramatics class will present "The Man Who Was Followed by His Heart" by E.J. Hochman, which Miss Sarah Stephens, dramatics

chairman, describes as "a theatrical experiment."

Saturday night "Subway Circus" by Saroyan will be presented by the first hour beginning speech class. The fifth hour class will present "Mama's Getting Married," by Jay Tobias; while the sixth hour class will reveal

"How To Capture and Hold A Husband."

The plays are competitive; the audience will vote for the best play, best actor, and best actress. Three judges will also evaluate the plays. They are Miss Carol Brandt from Reavis High School, Mrs. Shirley Hulse from the Palos Village Players, and Mr. Donald Steinhart from the Sandburg dramatics department.

Each of these five plays is student directed, acted, and produced. The drama students have been preparing them for approximately three weeks.

The department chairmen for the festival are Martin Suchor, art; Miss Sarah Stephens, drama; Mrs. Hilda Geuther, home economics; Wendell Henderson, industrial arts; and Milton Potter, music.

Rutledge Dist. Asks Hike In School Tax

Voted down at the regular school election April 11, a proposal to raise the educational fund tax rate for the Ann Rutledge district will be submitted to the voters again June 20.

Cal Heath Jr., representing the school board, announced the date for the referendum at the meeting of the PTA. The board is hopeful of support from all organizations in the district for the referendum.

The board is asking for an increase in the educational fund tax rate from 90 cents, its present figure, to \$1.11, a raise of 21 cents.

Last year the district built an addition to the school but has been unable to take advantage of the fact for lack of revenues to hire another teacher.

At the regular election last month the proposal to up the educational fund tax rate lost by 34 votes, 126 to 92.

THE CHAMPIONS — The Kingpins, led by their captain, Paul Hillig, took first place with 63 wins in the Sandburg Bowling league this season. Displaying their trophies, donated by Frank Chiocca, owner of the Palos Bowl, are (back row l to r) Roger Spear, Richard Smigleski, Paul Hillig, and Frank Bischoff.

In the front row (left beginning left) are Jerry Jackson, president-secretary of the league and Richard Miller, men's high series. Not pictured is Sandy Anderson,

Sandburg Golfers Place 15th In State

BY JOHN HELQUIST
The Sandburg golf team

after winning their first District meet placed 16th in the Illinois State meet Friday and Saturday, May 15 and 16 with a score of 699.

The Bloomington team won the 36 hole meet held at the University of Illinois course with a score of 640. They were closely followed by Waukegan with 642 and Hinsdale with 645. Jim Cheney of Hinsdale was medalist with 76-77-153.

Curt Yelnick was medalist for the Eagles with an 81-89 for a 170 total. Ironically Yelnick qualified fifth for the Eagles in the district meet then in the state

women's high series.

The second place team, close behind with 62 wins, was Jackson's Jets, headed by captain and league president-secretary Jerry Jackson. Other members are Richard Miller, Bob Janeck, and Ron Miller.

Sandburg's league, headed by Arlin Felchner, had eight mixed teams this season. Next year, the league hopes to compete with ten teams at the Palos Bowl.

was Dick Weber with scores of 83-99 for 183.

The Eagle's coach, Richard Finley was happy with Sandburg's qualification for the state meet but was disappointed with the teams finish. Finley stated that he knows the team could score better but you can't win meets by saying that we should have done better.

BY TIM SEDGWICK

The Sandburg thinclads fell last week to Rich East 61-57 in the last dual meet of the year. The Eagles finished the season Wednesday with the finals of the conference meet held at Sandburg.

On the frosh-soph level Sandburg also fell behind Rich losing 68-50, though Max Holgas broke the frosh-soph shot put record with a throw of 43 feet 5 inches.

On the varsity level the Eagles were led by Ernie Sharpe and Jim Roques.

Reeves started out by kicking Rich's half miler to win the event in a time of 2:05.9. Reeves then came back to take the mile run in 4:40.2.

Sharpe ran away with the 220 and edged out to win in the low hurdles by .1 seconds.

Other first place winners included Ross Smith in the high hurdles, Larry McNeil in the quarter, Guy Cherskov in the pole vault, the mile relay team of Chuck Crowhurst, Gary Kasper, Leonard Beasley and McNeil.

The frosh-soph split first places with Rich though they lost 68-50.

Besides Hodges record breaking first in the shot, Chuck Mueller won the low hurdles by .1 seconds in a time of 22.3. The win gave Mueller an undefeated record in the low in dual meet competition.

Danny Martin also brought in a first in the 100 while George Powers took the quarter.

Bob Fontaine took the half, Jim McGhee won the pole vault and in the final event, the mile relay, the Eagles also won.

Team Wins Honors At A.A.U. Meet

Two Sandburg high school seniors, Kathy Cross and Terry Lindgren, members of the Synchronized Swim club there, were gold medal winners for their duet in the Central Association of the A.A.U. synchronized swimming championships held in the Flick-Reedy pool at Bensenville last Saturday (May 16).

Kathy won three gold medals, representing a first in stunt competition, a first in solo competition and a first with Terry in their duet performance.

Terry, who was 1963 solo champion, won second in stunt competition this year and a first with Kathy in the duet.

Kathy and Terry are sponsored by the Palos Swim Association. They have been partners for three years but will part this fall. Terry is going to LaCrosse college in Wisconsin, and Kathy will be going to Colorado State university at Fort Collins, Colo.

Meanwhile the girls are looking forward to an eventful summer in their field. The Junior National championships are coming up in August and they are also scheduled for many performances at various Chicagoland country clubs.

GOLD MEDAL WINNERS in swim competitions are these two members of the Carl Sandburg high school Synchronized Swim club, Kathy Cross (left) and Terry Lindgren. They will be remembered as participants in the Synchronized Swim club's show this spring, "Carousel of Colors."

Distaff Golf

BY ANN M. DIVOT

The Willow Run Women's Golf club is progressing very nicely. Fourteen women played last Thursday morning with a few absentees. It is not a requirement that one must play every time, only that 12 games be played during the season to be eligible for prizes.

A short meeting will be held after the golf lesson Tuesday, May 26 at 10:30 a.m. to discuss some pertinent affairs. Will all the members please try and be present whether or not you come out for the golf lesson.

Byng Club Meets With Mrs. Nick Wyzevich

MRS. EDWARD HOVI
Telephone 479-5740

The Byng club held their regular monthly meeting at the home of Mrs. Nick Wyzevich of 9519 West Elm avenue on Tuesday evening, May 12.

The hostesses prize was won by Mrs. Conrad Karp, and the next meeting of the group is scheduled to be held at the home of Mrs. Edward Hovi of 9448 West Hickory Street, on Tuesday, June 9, at 8 p.m.

A speedy recovery is wished by all to Mrs. Thomas (Jereane) Carlson of 9405 West Willow Lane, who was injured recently in an automobile accident just outside of Tinley Park.

Mrs. Carlson's mother has come up from her home in Texas to care for her two small grandchildren.

Mrs. Carlson is recuperating in Silver Cross hospital.

Congratulations are in order in a BIG way to Claude and Shirley Hart of 19408 South Beechnut drive on the birth of their third child, another boy. The little (?) one, who weighed in at a generous eleven pounds and seven ounces, was named Brian Kenneth. He was born on Mother's Day, May 10, at the Silver Cross hospital in Joliet.

The Hart family has two other sons; Mark, five and Claude Ray, Jr., seven.

The Summit Hill Boy Scout troop number 10 held a Court of Honor ceremony recently at which time Warren Fenel generously took time out to bring authentic Indian garb to the meeting and showed the assembled group an Indian ceremony loosely equivalent to the scout ceremony of advancing in rank. Many of the boys were advanced to first class scout that night, and there were many merit bidgees presented to the boys.

The ceremony is used in Indian lore, when a boy is advanced to first class brave, thus the similarity. Refreshments were served to all at the school by the Arbury Hills Cadette Scout troop.

The Brownie Scout Troop number 334, under the di-

rection of the two co-leaders, Mrs. Leonard Gunty and Mrs. David Leonard, held a tea in honor of their mothers. It was held at the school on Tuesday, May 12, at 3:30 p.m.

The Brownies presented their mothers with a corsage of yellow flowers, made from ribbon, which they had made themselves for the occasion. A short program followed with a Tribute to Mothers given by Nancy Dickerson, a Tribute to Daughters given by Mrs. Gunty, a mothers day song duet by Deborah and Robin Broekstra, a poem by Deborah Mesner, a sing a-long by both mothers and daughters, a poem by Laura Lee Veltman, and concluded by a solo of M-O-T-H-E-R by Victoria Cumbee.

Mrs. Leonard was introduced to the group by Mrs. Gunty, and it was announced that Mrs. Leonard would take over the troop next year.

The program was closed and refreshments were served to both the mothers and the girls.

The Cadette troop, recently formed, has been given

their official number, 336. The troop is under the direction of Mrs. Dan Markowski and Mrs. Earl Scott.

The troop is for girls between the ages of twelve and fourteen, who are in the seventh, eighth and ninth grades.

The troop is capable of admitting up to seven girls in the Senior Scout age. At the present time there is one girl in that age group. Therefore, an additional six girls up to the age of seventeen will also be accepted.

When there are eight girls of Senior Scout age applying, there are sufficient girls to form a separate troop of senior girls and an adviser is needed.

The troop meets Tuesdays from 7 p.m. until 8:45 p.m. at the scouthouse on 191st st.

The troop also has planned a bike hike to Mokena Community Park on June 9 followed by a sack lunch at the

park.

The girls also hiked out to the scouthouse last Saturday to "pretty-up" the place prior to holding a mother's tea last Tuesday.

There was a program consisting of skits and song by the girls, and refreshments of home made ice cream and home made dainty cookies for the mothers. There was also a showing of the handiwork of the girls in the form of hand made Hats designed on paper nut cups and displayed on a hat tree made of a tree branch.

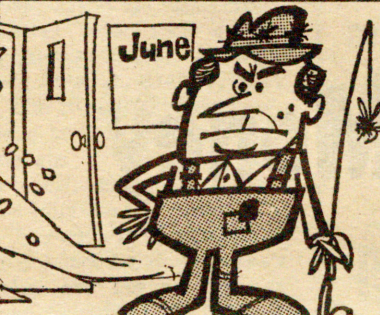

Saint Mary's church in Mokena is sponsoring a theatre night at the Drury Lane theatre. The play will be "See How They Run" with Tab Hunter in the lead. The Saint Mary's night will be Sunday, June 14, at 7 p.m.

There is an effort being made to contact everyone in Arbury Hills to purchase the

tickets, but, in the event that you are inadvertently missed, you can contact Mrs. William Roach at 479-5256 for the necessary tickets.

Saint Mary's church held their First Communion Mass for the second grade children at the church on Saturday morning, May 9. There were many children from Arbury Hills in the group. They are

as follows: William Gore, Patricia Lindeman, Robert Lindeman, Kurt Schwarz, Dana Daniels, Lydia Pasky, Mary Arcuri, Linda Rutan, Richard Tronk, Frank Per-ritano, Melvin Johnson, Michael Johnson, Marcella Helm, Jerry Daniels, Robert Burdett, Edward Hovi, John Cumbee, Jim Roach, Mark Sheedy, Mary Jo Wallis, and Linda Osuch.

If Money Grew on Trees...

INEXPENSIVE GRAPHIC CLASSIFIED ADS WOULD STILL BE THE SMARTEST, EASIEST WAY TO GET THINGS DONE. For example ... there's just no faster, better way to find reliable tenants to fill your rental vacancies, or dependable workers for your business. And, surely the quickest way to have your lost articles or pets returned is through a "Lost" ad in the Classified section. Want to make an announcement or acquire a collector's item? Run a Classified Ad. Looking for a home? A car? Another business? Read Classified Ads. -- You see, even for people with money trees, to accomplish certain things there's just no substitute for amazing Graphic Classified Ads.

Now, if you don't happen to have a money-tree ... then it's time you joined the wise folks who've discovered Classified Ads are truly the next best thing. These far-reaching little ads bring in a steady flow of extra cash too -- by quickly finding buyers for the worthwhile articles you no longer use or need. And, they're so easy to use. Go through your home today. Make a list of the things you find (furniture, appliances, golf clubs, bikes, yard and garden tools -- to name a few items you might turn up) ... then, Phone for a helpful Ad Writer. That's all there is to it. And, a 2 line ad costs just \$2 for 2 weeks on the special Family rate.

Isn't it time you started putting the magic of Classified Ads to work for you? Do it now! You'll find it's almost like having your very own money-tree.

Now's The Time To Shine Up Mailboxes

How is your mailbox look-
ing these days? Does it
need a spot of paint? Is the
rust showing thru or are you
sitting back with a smug
smile, secure in the knowl-
edge that you have one of
those brand new flattopped,
slanted front jobs one is
beginning to see on rural
and city mounted routes?
The reason for these ques-
tions is that the post office
poobahs of Washington have
declared May 18-23 as Mail-
box Improvement Week.

The week is practically at
an end now but if one doesn't
delay but rushes out and
does something now it is not
too late. Mail boxes and
supports should be kept
painted, say the post office
people at Washington, and
the patron's name should be
scribed on the side of the
box visible to the carrier
when he approaches, or on
the door when boxes are
grouped. Also the assigned
box number may be shown.

On city mounted routes--
New Lenox has some--mail
boxes must be of a type that
will protect mail from
weather. When boxes are
not located directly in front
of the patron's home, the
patron's name and address
must be shown on the box.
Mounted route patrons also
are reminded that their car-
riers do not carry a supply

of stamps so letters posted
in the boxes should have the
necessary stamps affixed.

The Working Classes

J. A. WARD

A new labor force known as "temporary or part time help" is gaining wider use among stores and manufacturers. Longer store hours, broader overtime rules, plus substantial savings are causing more businessmen to favor the use of part time or temporary help.

According to the latest Labor Department figures, almost eight million persons were working part time in March, an increase of 6.4% more than the previous year. Housewives, teenagers, retirees, and others who want to supplement their regular income are finding an increasing demand for their services through temporary services which specialize in "renting" people much like Hertz and Avis rent autos.

While the practice of using part time help currently is being emphasized because of governmental regulations on overtime pay, actually smart businessmen have for many years found it less expensive to "Rent" help than to hire help.

Some of the prime advantages of using rental help are that you cut down on overtime work, you have no fringe benefits, you pay less per hour, and you can increase or decrease the number of people to fit your week to week requirements without the other expenses involved in laying off or hiring permanent help.

Based on an impartial survey made a few years ago, better than 50% of the business firms in America have used temporary help. Actually rental help is just as much a part of automation as is the computer, line typer, disc file, etc.

It would be impossible to estimate the millions of dollars being spent unnecessarily on full time help whose jobs could be more efficiently and certainly less expensively handled by a part time person. As a matter of fact, many of the larger companies operate with a skeleton force and fill in their office, factory or sales force with temporary help. Using temporary help also gives the company a good source for future full time employees.

Regardless of what your skills are, we suggest you register with one of the services for part time work. You will find working part time an enjoyable, fascinating and profitable experience.

Model Bridal Gowns At Mother-Daughter Dinner

MRS. KATHARINE HEISNER
Telephone: 469-5187

Last Tuesday evening a group of 120 met at the Frankfort Methodist church Fellowship Hall for the annual mother-daughter banquet at 6:30 p.m. sponsored by the WSCS.

The program was opened with a prayer by Mrs. Jacob Hostert, then dinner was served by a catering service. Community singing was led by Mrs. Joseph Karkos, assisted at the piano by Mrs. Roger Corp. Miss Lorna Miller sang a solo accompanied by her sister, Mrs. Roger Corp.

Mrs. Joseph Karkos, toastmistress, introduced Miss Jo Van Rheeden who gave the toast to mothers, and her mother, Mrs. Robert Van Rheeden, the toast to daughters.

Many bridal gowns, old and new, were modeled for the program "Bridal Revue Thru The Years", narrated by Mrs. Wendell Morrison.

Awards were given to Mrs. Adella Lorenzen, oldest mother present, 82 years old; youngest mothers, Mrs. Charles Mark Jr. and Mrs. Dale Reils; Mrs. Richard Been Sr. of Mokena, one who traveled the farthest; Mrs. Ralph Dralle, mother with most daughters present (5); Miss Dora Schellhase, oldest member present, 92 years and very active, attends church services regularly and all WSCS meetings.

The program was closed by singing. On the program committee were Mrs. James Walker, Mrs. Clyde Reils, Mrs. Jacob Hostert and Mrs. Marion Bell.

Mr. and Mrs. Clyde Reils and family attended the confirmation services held in the Chicago Heights Methodist church Sunday morning, in honor of Paula Farrer, daughter of Mr. and Mrs. Fred Farrer of Flossmoor. Later the Reil family were dinner guests in the Farrer home.

The Goodwill truck will be in town Thursday, May 28. Please place calls for pickup by Tuesday, May 26 with Mrs. E. Schellhase, 469-5425.

The Women's Fellowship of St. Peter's church will go to Camp Manitouqua on Sauk Trail for their retreat Thursday, May 28, leaving the church at 9:30 a.m. All are requested to bring a box lunch. Coffee will be served at the camp.

If you plan to attend, please call Mrs. Harold Scheer at 469-2253 or Mrs. Burton Breidert at 469-5243.

Mrs. Burton Breidert, president, will preside over a short business meeting. The program is in charge of the spiritual life department, with Mrs. Harold Scheer as chairman. The meeting and the days activities will close at 3 p.m.

A spring concert will be given at the St. Peter's United Church of Christ by the three choirs. The adult and chancel choir will be directed by Mrs. Kay McAbee and the choralettes by Mrs. Albert Krusemark. Mrs. McAbee will include a recital on the pipe organ.

Mr. and Mrs. Clyde Reils

and daughters and Mr. and Mrs. Dale Reils and son Robert of Mokena, dined at D'Amico's last Sunday evening in honor of Mothers Day.

A paper drive will be held by the youth group of Good Shepherd Lutheran church Sunday afternoon, May 24. Please place bundles of paper at the curb. If in quantity, call for pickup service, Milton Subbert at 469-4781 or Clarence Sangmister at 469-3116.

The Rev. LaVern Smith will attend the worship and evangelism committee meeting of the Northeastern Association of which he is a member. The meeting will be held at the Salem church in Oak Lawn on Saturday, May 23.

The annual Bensenville Home Society meeting will be held Wednesday, May 27 at 10:30 a.m. Mrs. Bertha Klepper, delegate of St. Peter's church and the Rev. LaVern Smith will attend the meeting.

The Frankfort school band and eighth grade festival chorus will take part in the Lincoln-Way area grade school music festival on Sunday, May 24 at 2 p.m. The festival will take place at Lincoln-Way high school and the public is cordially invited to attend free of charge.

Mr. and Mrs. Dallas May Jr. of 94th ave. are the parents of a daughter, Gina Renee, born May 16 at St. James hospital. She weighed 6 lbs. 8 oz.

The senior choir of Frankfort Methodist church had a picnic Sunday afternoon at Frankfort park. A potluck supper was enjoyed by all.

The regular meeting of the American Legion auxiliary was held last Thursday night at the local grade school. Mrs. Marilyn McManimen, president, called the meeting to order.

Final preparations for Poppy Day was presented by Mrs. Harold Schifler.

The auxiliary was present at the school May 15 to present the Americanism Essay awards to the following three students: first, Vicki Batson; second, Sherri Dralle and Peggy Nissen, third.

On Thursday, May 21, the group is going to Manteno State hospital, attending its annual award program.

Sgt.-at-arms, Mrs. Orville Schinkowski will decorate the graves of our 3 departed members.

The legion, its auxiliary and junior members will assemble at the school grounds on May 30 at 9:45 a.m. for the Memorial Day parade.

The 1964-65 nominating committee will meet June 10 at the home of Mrs. Melvin Eastman.

Refreshments were served by Mrs. McManimen and Mrs. Clara Bennett.

Leona Guzik, daughter of Mrs. Patricia Guzik, will play the bassoon as part of the symphony orchestra of Illinois State university. The orchestra will present its final concert of the season on Sunday, May 24.
